

## DIEBOLD NIXDORF REVENDO 9030

# SPACE-SAVING AND USER-FRIENDLY REVERSE VENDING SYSTEM WITH HIGH-CAPACITY 360° RECOGNITION

The Revendo 9030 continues Diebold Nixdorf's tradition of delivering innovative, user-friendly reverse vending solutions. Thanks to its high-capacity recognition and compacting technology in a robust and space-saving housing, the Revendo 9030 is a cost-effective, efficient and economic solution.

#### EFFICIENCY BY DESIGN

Based on the successful Revendo 9010 and the innovative 360° EasyClean input unit, we designed a powerful and space-saving reverse vending systems all within a two Euro pallet footprint. With its uninterruptible recognition system and high-capacity compactor, the Revendo 9030 delivers an innovative, non-stop reverse vending solution. The newly-developed EasyClean technology and accessibility of components minimizes cleaning time.

#### DRIVE SALES AND OPTIMIZE STORE PROCESSES

With a comprehensive range of software applications like tailored couponing, loyalty-card rewards or advertising, retailers can drive same-day sales at reverse vending machines. Secure communication at every in-store point-of-sale system enables a seamless consumer journey. Backed by years of experience in the retail market, we offer our customers a wide range of software solutions to simplify processes and help them become more efficient.

#### PROTECT THE ENVIRONMENT

Revendo 9030 solutions help retailers drive the commercial benefits of reverse vending while, according to a recent scientific study, protecting the environment. To learn more, contact your Diebold Nixdorf representative today, or visit: [DieboldNixdorf.com](http://DieboldNixdorf.com).
